AFTER FINAL OFFICE ACTION

BOX AF
Commissioner for Patents
Washington, D.C. 20231

Sir:

Responsive to the final Office Action of May 24, 2002, the statutory period for response having been extended one (1) month to **September 24, 2002**, the following remarks are submitted in connection with the above-identified application.

REMARKS

The Office Action of **May 24, 2002**, has been received and its contents carefully noted. Filed concurrently herewith is a REQUEST FOR WITHDRAWAL OF FINALITY OF AN OFFICE ACTION in which the finality of the May 24 2002 is asserted to be premature since the TC Director's approval (signature) is not present authorizing the prior art rejection of the instant copied patent claims 31-36 and the Schneller-type obviousness type double patenting rejections of claims 1, 10 and 36,
